## In Her Words

Patricia St John

Patricia St John was a master storyteller and her books continue to captivate readers even today, but her personal story is no less exciting than one of her fictional tales.

It is full of adventure, larger-than-life characters and exotic destinations. But this isn't some unimaginable far-flung lifestyle – central to her story is the work of God in her life and in the lives of those she met.

**'A great story by a great writer. The most nourishing book I read last year.'**

## The weirdest nativity

Andrew Sach & Jonathan Gemmell

This is a book for people who already know the standard nativity – the baby, the stable, the manger... But it includes one character you were probably never told about – an enormous red dragon. His story is tucked away in the lesser-known pages of the Bible and his terrible deeds are verifiable facts of history. Though few people are aware of him, he is fighting a battle in which we all must choose sides.
