

Weddings are special events. You have to get ready for them. You don't just turn up late, wearing dirty clothes and with no present for the happy couple. If you did, you'd look foolish.

Jesus told his friends a story about a wedding because he wants us to get ready to meet God.

Jesus began his story with a warning, 'You have to be ready because you don't know when the Son of man is coming.'

We don't know what time we are going to die or when Jesus is coming back. It's wise to be ready and foolish not to be ready.

**QUESTION AND ANSWER:  
WHO IS THE SON OF MAN?**

**THE SON OF MAN** is another name for Jesus. Jesus is fully God and fully human. He is unique. Nobody else is like him. Because he is God, he has no sin or wrong in him at all. And because he is God and man, and without sin, Jesus was able to take the punishment instead of sinners.
